

LILY'S ADVANCED CARE PLANNING (ACP) SOLUTIONS

Outsourced ACP Solutions coordinated with your on-site clinicians, your wellness team and your residents to provide FL approved Advanced Care Planning and materials.

INCREASE RESIDENT SATISFACTION

Implement a strategy that socializes Advance Directive (AD) materials and coordinates with all members of the resident's team

ONE TEAM

Our team works with all members of your team and on-site clinicians to achieve goals for patient care and wellness

PATIENT-CENTERED CARE

Our team delivers a multi-pronged approach to ADs through education, socialization activities, and take-away guides to provide what is needed for each person

ALL DONE FOR YOU

We provide the plan, activities, ACP materials, and peace of mind in addition to administrative support

COMMUNICATION AND COORDINATION

We include your team, clinicians, residents and their families (if desired) in our process

- Industry proven materials to discuss and socialize these sensitive topics
- ACP conducted as a follow-up appointment to an Annual Wellness Visit
- We provide the pre-planning, consultation, and implementation, insurance covers the cost
- Notary Public and Remote Notary Public available

PEACE OF MIND FOR YOUR RESIDENTS AND YOUR TEAM
